

# HE WHO WIELDED THE SPARK SWORD

BY ISAAC BORUCHOWICZ

If there is a sword, there must be an enemy... let me show you MY enemy.

This is how you might see a book.

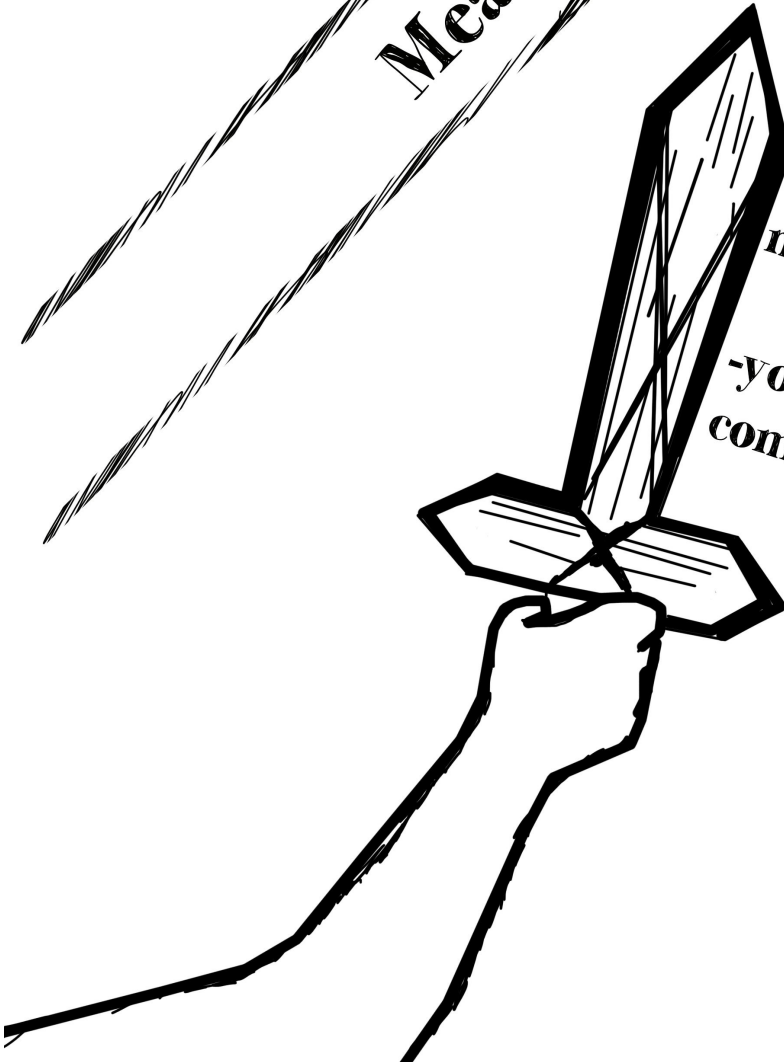

But this is what a book truly looks like. A MONSTER!!!

**The monster could  
only be defeated  
by wielding  
a sword.**

The "It doesn't take me 20 minutes to read a page" Sword

**But everyone had this  
Meanwhile I had this crap**

-only does 60% damage no  
matter how hard you hit.  
-you will distract yourself in  
combat and never win.

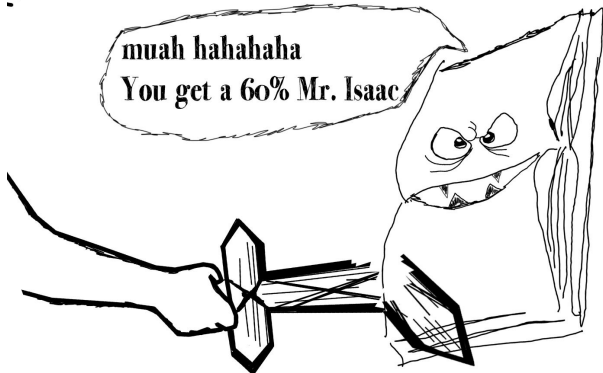

I would try as hard as I could but would never defeat the book, my sword was no match for him

This couldn't keep on happening. Everybody around me was getting ahead and I couldn't do anything.

muah hahahaha  
You get a 60% Mr. Isaac

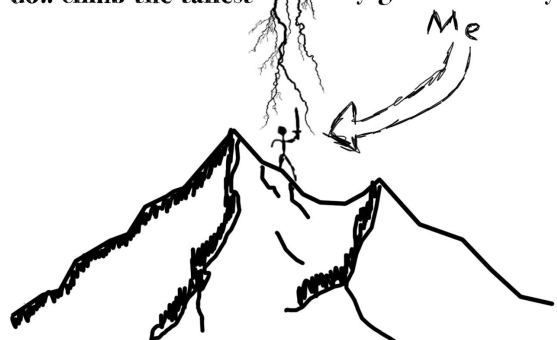

That was such an easy A

So when I couldn't take it no more, I did what nobody dared to do.. climb the tallest

mountain to get the blessing of the spark and finally defeat my greatest enemy.

And so... my journey with 60% on exams and having to spend hours on a couple of pages ended.
